

## Lesson 3:

### Recipes from around the world

#### Crosscurricular Project

Work in groups.

Find a recipe, write the ingredients and the instructions on a poster and present your recipe to class. You can present a Greek recipe or a recipe from another country, if you come from there. You can ask your mother, look in a cookery book or surf the Internet. Here are some sites where you can find Greek traditional recipes:

■ [www.ortoi.gr](http://www.ortoi.gr), the website of the Greek National Tourism Organisation.

■ <http://www.ortoi.gr/orthodox/orthodox.html>, a university sub-project and website, published by

the Department of Computer Engineering and Informatics, University of Patras.

■ <http://www.symeio.gr>, the site of the 6<sup>th</sup> Junior High School of Semei.

#### Idea!

Do you come from another country? Then, maybe you can cook (or ask your mother to cook) one of your traditional recipes at home and bring the food in class to treat your friends! Maybe you can have a **Best Taste Contest**! And if your classmates like your recipe, you can give it to them! You can also have a "Recipes from around the world" festival. Your mothers can organize it and bring food to school.
