► **Idea!** Do you want to find a pen friend from another European country? Visit the website of the European Schoolnet at www.eun.org/etools/index.htm. You can find a pen friend in the Partner Finding Forum. Ask your pen friend what his/her school looks like. Tell him/her about your school using the information in your project and ask him/her to send you information about his/her school, too.

► **Idea!** You can also look for pictures of schools in Great Britain surfing this site: <http://www.schoolswebdirectory.co.uk/>. You can get a link to sites of schools in Great Britain. Look at the pictures of the schools (sometimes there are maps of the school, too) on their sites and check the differences.
